

BLANCO PERFORMA COLLECTION

ELEGANT CURVES AND SENSUAL STYLE.

HEAT RESISTANT

Go ahead, toss in a hot pan. Throw in a baking sheet. Or put that boiling pot right on the work area. Withstanding temperatures of up to 536 degrees, you just can't burn, scorch or mar a SILGRANIT® II sink.

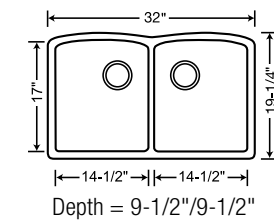

A European inspiration of refinement, form and color.

With more size and installation flexibility – this collection effortlessly takes on whatever you're cooking. The exclusive design of our BLANCO PERFORMA CASCADE super single bowl (above), features an innovative, self-draining platform area. Shown with BLANCO MERIDIAN™ Semi-Professional kitchen faucet in polished chrome.
