Dimensions:

Materials:

Mirror base, arms and ring are constructed of zinc.

Installation Instructions:

1. Remove the mounting plate from the body by loosening the setscrew.
2. Position the mounting plate on the wall in the desired location and mark holes.
3. Drill ½" pilot holes in marked locations.
4. Unthread mounting screws from two toggle anchors and thread through mounting plate holes. CAUTION: Be sure the toggle anchors are partially threaded onto the screws and positioned so the toggle collapses when pushed through the predrilled pilot holes. While holding mounting plate (with screws and toggles installed), push both toggle anchors through predrilled pilot holes.
5. Tighten both screws until tight.
6. Place mirror assembly over the mounting plate with setscrew down.

Cleaning Instructions:

To preserve the fine finish of this product, clean only with a soft damp cloth. Dry well. Do not use commercial or abrasive cleaners.
