

# duraflame® 6-pk 4lb Firelogs – English/French

**duraflame® 4 lb firelogs are the best quality, value size logs**

**MERCHANDISE YEAR-ROUND FOR INDOOR OR OUTDOOR FIRE OCCASIONS**

## Burns up to 3 hours

Each log burns for up to 3 hours creating warm glow and ambiance

## Recycled & Renewable

Duraflame® firelogs uses recycled & renewable wood sawdust and agricultural fibers, mixed with a standard blend of waxes and other combustible, renewable materials.

## Burns Cleaner Than Wood

Produces **80% less emissions** than a similar duration wood fire.\*

## UL (US & Canada) & CSIA

Approved safety classification for use in UL-listed factory-built fireplaces. Also labeled for use in outdoor fireplaces & fire pits.

Chimney Safety Institute of America Accepted Product
