

IG Inlet guard

Wire Ring Inlet Guard for Inline Duct Fans

- Debris Protection
 - Zinc Plated Steel
 - Wide Compatibility
 - Long-Lasting Guard
 - Suitable for FG, FR, FKD and prioAIR Series
-

Foreign Object Protection

The wire ring inlet guard acts as a barrier to prevent foreign objects from entering the inline duct fan.

Durable Zinc Chromate Finish

The inlet guard is constructed from zinc chromate-plated steel, which provides exceptional durability and resistance to corrosion.
