

Air Actuated ON/OFF Control - AS00 | 112.0312.211

The AS200 is easily installed air actuated on/off controls for Kindred Waste Disposers up to 1 1/4 H.P., 120V. Simply plug the unit into any standard electrical outlet and plug the waste disposer into the receptacle provided with the package. The waste disposer can be activated and deactivated by depressing an air button. Installs into existing sink hole drilling, or countertop, to operate disposer with plunger style air switch. Perfect application for island countertops. Eliminates the need for an electrical wall switch, making it perfect for island countertops. Operates on 120V household wall receptacle. Requires a 1 1/2" cut-out hole (standard faucet hole drilling). Air switch contains two buttons, a Chrome and Satin Nickel option.
