

The award-winning Follow Me is the only 4-wheel pressure washer on the market! It follows you as you clean around vehicles, home exteriors, driveways and more. The compact, horizontal design delivers optimal stability and takes up very little storage space. Thanks to its 4-wheel design with steerable front wheels, you'll never have to interrupt your cleaning again to reposition the pressure washer behind you. The Follow Me includes an onboard detergent tank that automatically dispenses detergent in low pressure mode. Its quick connect system allows you to quickly and easily set up or store the unit. Other features of the K3 Follow Me include a large on/off switch, integrated storage for spray wands, the high pressure hose and power cord, a complete "motor stop" function when the unit is not in use and an ergonomic trigger gun with child safety lock. A Family Handyman Magazine's Editor's Choice for 2015. Our best-selling electric pressure washer in North America.
