## Description

Part #

### Sanding Pad

A-95423

6-hole design engineered for increased dust extraction

Multi-purpose sanding pad to be used with hook-and-loop sandpaper

#### Applications:

- Detail sanding and hard to reach areas
- Paint removal on wood and metal surfaces

| Grit       | Qty. | Part #  |
|------------|------|---------|
| # 80       | 10   | A-95526 |
| # 100      | 10   | A-95744 |
| # 120      | 10   | A-95532 |
| # 150      | 10   | A-95750 |
| # 180      | 10   | A-95548 |
| Assortment | 10   | A-95853 |

### Sandpaper

High-quality aluminum oxide grain

Open-coat grain distribution and resin glue coating reduces grain clogging and improves finish on wood surfaces

6-hole design engineered for increased dust extraction

#### Applications:

- Sanding on hardwood, softwood and other building materials
- Ideal for use on bare wood, paint, varnish, fillers, plastic and other materials

| Description                                                                                                                                        | Model   | Part #   |
