

Phylrich

out of the extraordinary

For 50 years, Phylrich designer bathroom fixtures have set the standard for luxury throughout the world. With 23 distinctive faucet and accessory collections, and 19 hand-applied finishes, we offer a style to fit every décor. To help you choose the fixtures that best reflect your unique space, our collections are characterized by the architectural style they most embody. Get inspired by our extraordinary designs and let the designing begin.

Our Lifetime Warranty
Phylrich warrants that its products and their finishes are free from manufacturing defects in materials and workmanship for the life of the fixture. For more details visit our Web site at www.phylrich.com.

- Hand Shower with Slide Bar

“Luxury must be comfortable,
otherwise it is not luxury.”

– Coco Chanel

Known for her pursuit of sumptuous simplicity, fashion icon Coco Chanel equated two simple concepts – luxury and comfort. In her day, this was revolutionary thought. Today, with the full benefit of innovation, Chanel's principles are expressed in Phylrich showers, sprays and coordinating faucet sets to embody the richest of luxury with the utmost attention to comfort.

Phylrich bath collections are constructed with the finest, most lavish materials on earth, and are crafted to soothe you in your sanctuary of space and mind.

It is through the blending of technology and design that we present the ultimate bathing and personal showering choices, from Phylrich.

Our shower heads, hand showers, and coordinating lavatory and tub sets deliver well-appointed luxury, and much appreciated comfort to the finest homes in the world.

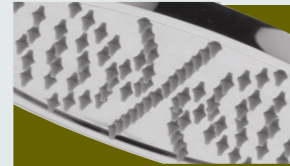

Discover for yourself why Phylrich is truly out of the extraordinary.

Phylrich luxuriously blends extraordinary design and feature rich engineering.

Shower heads:

- *Complement your bath décor with coordinating Phylrich shower heads, beautifully matched by collection.*
- *Low maintenance design features self-cleaning, rubber nozzles.*

Thermostatic valves and pressure balance valves:

- *Lavishly constructed of solid brass, with a ceramic disc cartridge and high water flow rate.*
- *Your safety first – always, with anti-scald technology and integrated water shut-off.*

A piece of mind:

- *Nothing will disrupt your sanctuary time; Phylrich shower elements are certified by all leading groups, including ASME/CSA, ASSE1016 and IAPMO.*

Phylrich offers the components to customize your showering experience.

Thermostatic Valve
Safely pre-sets the comfort level of the water temperature.

Pressure Balance Valve
Adjust the temperature and volume with a single control.

Diverter Valve
Used to divert water to the outlets of your choice.

Volume Control
Provides separate on/off controls for each outlet in your shower system.

Body Spray
For the complete shower experience. Spray adjusts vertically and horizontally with adjustable water flow.

Ceiling and Wall Mount Rain Shower Head
A soothing rain forest effect complete with shower arm and flange.

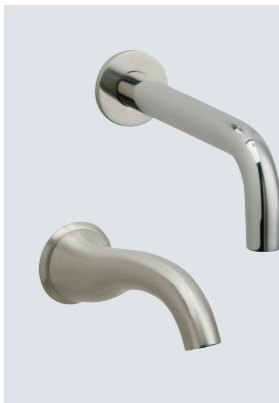

Adjustable Shower Head
Complete unit includes adjustable stream.

Hand Shower with Slide Bar
Endless flexibility for that truly satisfying shower. Set includes 24" or 27" bar, adjustable hand shower with hose.

Tub Spout
Optional tub spouts for bath.

Multifunction Shower Head
Four luxurious water flow options to choose from including rain, massage, aerated and blade.
