Stainless steel sink

urban style

Uncompromising style > Your kitchen is as modern, bold, and avant-garde as you are? You need a sink with a fresh, urban look from the Prolnox H0 collection. The sharp corners maximize space in the bowl, unlike standard models which tend to be rounded. If you like clean lines and minimalist designs, you'll love these brush finished, handcrafted sinks.

Stainless steel sink contemporary style

Style and function combined > Your kitchen is a place for exploring and having fun. It has to fit with the active life you lead, but absolutely not at the expense of style. A contemporary sink from the ProInox H75 collection is the perfect solution. With straight walls and slightly rounded corners, these handcrafted sinks are a breeze to clean.

Must-have accessories

Stainless steel strainer

All our bowls are delivered with a matching stainless steel strainer.

Grid

A grid is a must-have to protect your sink from being scratched by dishes and cutlery.

Colander

Our durable stainless steel colanders are the perfect, hygienic way to drain pasta or rinse food directly over the sink.

Cutting board

Free up your counter and create additional workspace with our solid cutting boards specially designed to fit over your sink.

Right from the source

Behind every Prochef sink is the expertise of Julien, which has been crafting stainless steel sinks in Canada for almost 70 years. As a true leader in developing innovative products, Prochef's promise to you is quite simply to offer quality. When you choose Prochef, you choose a durable sink that matches your décor, suits your budget, and supports a North American business.
