

## SeeSnake® Compact2 Camera System

**1 1/2" to 6" (40 mm to 150 mm) Lines, up to 100' (30 m).**

Big performance in a compact, durable package.

Snap the CS6xPak digital recording monitor into the Compact2's docking system and you're ready for the ultra-fast set-up. Simply power the system on, tilt the monitor to the desired viewing angle and you're ready to capture high quality images and video clips to a USB drive. Even stream to a Tablet or Smartphone via HQx Live app.

- Quick-release CCU docking system for fast, efficient job set-up.
- Flexible push cable for pushing ease through multiple tight turns.
- Self-leveling camera for a crisp, clear, in-pipe image that is always upright.
- Built-in sonde to locate a point of interest during the pipe inspection.
