**MAINTENANCE AND CLEANING INFORMATION**

This product is made of Veritek, a Natural Gloss Composite. Finish is stain resistant; however, the finish requires reasonable care. Wash regularly with warm water, use a soft cloth with mild liquid detergent such as Top Job, Ajax Liquid Cleaner, or Mr. Clean All-Purpose Cleaner. Remove hard water stains or mineral build-up with scale removers such as Lime-Away. *Never* use abrasive scouring powders, cleaners or pads. They will dull the finish. Protect finish with any fiberglass wax or automotive paste wax.
